 - e. Will Furse brought up precinct 2 newly elected chair (Todd King) not on list. Discussion ensued that because it was ratified at county assembly it should have stayed even though the elected chair was not registered in that precinct. Some felt that because of how the state election laws are written, he should have been eligible and suggested that we proceed as ratified at the assembly and place the co-chair based on past performance. Will questioned the motives of the chair for pulling the co-chair's name off the list. Danny checked the precinct roles that morning to see if the residency has changed in the clerk's office, but it had not.
